

Final Assignment

Members:

- Jon Presthus
- Atif Aziz
- Hallvard Drønen
- William Sander

What we did:

We chose a UN development goal and did session of brainstorming. After the brainstorming session we had som ideas but Hallvard came up with the best so we chose to further develop his idea.

This idea is:

Eco app – Women are most affected by climate change.

An app that lists all climate friendly products available on stores and

Women are the most affected by climate change, especially in undeveloped countries.
