

## Final Project

---

### Group members:

- Atif Aziz
- Hallvard Drønen
- Wiliam Sander Tyssøy
- Jon Presthus

### What we did:

---

We tested the website on internet explorer and found out that some of the things we added don't work with the web-browser. So, we had to start doing some changes. We also started added text to the app page.

### Next time:

---

Finish The Website!
